

GREEK Ministry Update

INTERVARSITY

What's Next?

We are not sure. Outside of Andy's remaining work with GreekIV, he is still searching for the next job/career that God has in store for him. So we covet your prayers in this area. We are as curious as you are to see just what that might end up looking like, because we know that the Lord wouldn't have called us from this fantastic ministry unless he had something else planned for us to accomplish.

Finances

In the past, many of you have chosen this time of year to:

1. Catch up on commitments
2. Give your annual donation
3. Give a special year end gift

This year I would like to add another option: to consider a sacrificial gift this month to help us finish well with Greek IV financially or to continue

Thank You!

Andy Dalton
National Director

In case you missed this in my April update, on June 30th of 2010, I will be resigning as National Director of Greek IV and looking for a new career in the for profit marketplace.

Over the past 16 years, you have been faithful partners with Kristen and I in reaching Fraternity and Sorority students with the gospel of Jesus Christ. We cannot thank you enough for your service, prayers and generosity! So, I couldn't think of a better way to thank you than to list out a few quotes from Greek students over the years, please enjoy:

- "I want to let God in for real...and actually change my life."
- "Greek IV has been a saving grace for me this past year. It has shown me that it's all about my relationship with Christ and growing with Him."
- "Greek IV helped me find my way at a time when I felt lost and alone at this school."
- "Greek IV is a place where I grew up spiritually. A place that poured into me and prepared me for life after college."
- "I have been a Christian on paper my whole life, but I realized that I never really had a relationship with God."
- "Greek IV taught me how to study the Bible for myself."
- "God's grace is too strong to keep to myself...I need to start a Bible study in my fraternity house."
- "I've known that he can fill that void inside me and be my father, but now I want to really pursue a relationship with Him."
- "I am not alone on my campus, and I believe that, I can truly be a light my chapter. I've been afraid to approach some sisters, but I won't be anymore
