Please watch the ISU video link above. It gives a great picture of what is happening on our campuses. I am thankful for you and your prayerful and financial support. You are so very valuable to what I get to be a part of.

Thank you,

Brad Shrum

Greetings!

We truly hope that this newsletter gives you a glimpse of how God is using this summer to impact college students lives, from campuses across Indiana. We are indebted to your prayers and continued support and partnership. It is a privilege to co-labor with you.

ORLANDO PROJECT

This summer, over 170 students from campuses across the state of Indiana are investing 10 weeks at the Orlando Project. Our greatest desire for this summer is that these students would learn to **Treasure Jesus (Matt. 13:44)** and be **Compelled by the love of Christ (2 Cor. 5:14-15)**. Through Bible study, fellowship, evangelism, work experience, and other training in spiritual disciplines, these students are learning to be equipped as lifelong

laborers walking daily with Jesus!

South Africa Team Stateside

2 Days ago our Team to South Africa returned to the States! While in South Africa the team had the opportunity to get international exposure by sharing their faith on a local college campus. This opportunity truly leaves each of the students with a bigger world view of how God is not only working on their college campus but also college campuses around the world.
