Update
From
The
Moryn's

It's hard to believe that three months ago we were gearing up for our trip to America, and now it has already come and gone! Where does the time go? First of all we want to thank all of you for helping to make our trip so special and for making us feel at home no matter where we were. The time that we get to spend with you all once a year really does help us the moments back in Poland when feeling home sick and missing our American family and friends.

November was filled with lots of traveling. Maciek and I were able to spend a week in Sacramento California with our friends from Rolling Hills Christian Church. This was also the first time that we had ever left Rayna. At times I think it was more hard on us than it was on Rayna, but all were happy including Grams and Grandpa Campbell :) Thanks to Mt Pleasant Christian Church we were also able to spend four days in Atlanta Georgia for the International Conference on Missions. This was an extra special treat because we got to meet up with our dear friends and co workers Daniel and Edtya and there kids Natalia and Natan who were also at the conference and our director and his wife Maly and Ewa. During the main sessions we had the opportunity to hear from other missionaries who are also serving on the field and what God is doing in there countries and ministries. Its always encouraging when we are reminded that God is at work always and everywhere all over the world all of the time!

After getting back into town from these trips were were greeted by a few visitors from Poland. The first was the Panczak family who is currently in Kansas doing a family ministry internship. We were able to catch up with their family and show them around the Mt Pleasant Christian Church campus. Then came two of PROem's college interns

Marika and Marysia. Just a reminder, Marysia is the girl that Maciek and I had the privilege of baptizing almost two years ago. So needless to say it was very exciting to have them with us in my hometown for a few days and show them around Greenwood. And they helped us celebrate Maciek's 27th birthday :) Thanks to all of you who were able to help us celebrate as well.

December seemed to be the craziest month of all filled with lots of meetings, reunions, traveling, holidays and family time. We want to say thank you to all the

churches who took the time to sit down with us and allow us to discuss our ministry and passions. We really appreciate what you and your congregation do for us personally and for our mission. And we hope that 2012 brings more mission trips to Poland from all of you. Then we will get to enjoy your group trip reunion party in America like we were able to do with the Mt Pleasant Group this year. Thanks again group, and hope to see you all this year!

One of the things that I was most thankful for this trip was getting to watch my friends and I from back home all hang out together with our families. I can say that this is truly one of the hardest things about being away is not being able to have my kids grow up with my friends and their kids. But i just want to say thank you to all of you for being true friends, and never making us feel like we no longer fit in. We love the time that we get to

spend with all of you when we are home and we really want Rayna to get to know all of you even if that means over email, skype, pictures, and meeting once a year. You are special to us and we know you will be special to her.

And of course how fun was it to watch Rayna experience her first American Christmas. Just ask my parents and I'm sure they will tell you all about it. Thank you all for your prayers for my mom, and our family. Praise the Lord the chemo is over.

One treatment down one to go. Radiation is next on her plate. Please continue to pray for her and for my dad as they continue to work through this time together.

Now back in Poland many things were waiting for us but the first was our annual New Years Eve Camp/Party. Having little time to prepare in no way stopped MC Hammer, ABBA, and Snow White from showing up ready to perform and party. The only thing that would make the party better would be having you guys there with us so please know you are already invited for next year!!!! Thank you again for the love, prayers and support. May God Bless you with a Happy New Year

Maciek, Adrienne, and Rayna Moryn

ps- Please pray for our financial needs for the 2012 year. So far we have lost \$500 a month in support for the new year and are still trying to figure out if we have compensated for the full amount or not. If you financially support us and have a moment could you please send us an email verifying your commitment. Thank you so much.
