

Moryn Ministries

Keeping up with Maciek, Adrienne, and Rayna in Tomaszow, Poland

Daily Ministry

The month of June started off busy and ended busy. And its not going to slow down anytime soon :) Camp season has officially begun! And with that comes lots of hard work, and even more reward. Zakoscie this month hosted three big events. First our annual Men's Conference, which was a three day event, brought in a group of around

100 men from Poland. There were spiritual workshops, worship and of course physical activities to please all. Next, with thankfulness to God, we were able to celebrate PROeM's 20th year as a foundation. It was a great weekend for looking back at where we came from, and looking forward to all that the future holds. On June 20th Marysia got baptized!!!!!! And one of the biggest surprises of all... Maciek and I baptized her!!!! Marysia came to us the week before the baptism and asked if we would do it and of course we said yes. By far in Maciek and I's 4 years of ministry with PROeM it was the greatest most blessed moments of our lives. We are so thankful to God for her decision and to be such a huge part of that decision. We know it is truly a blessing to see the fruits of your ministry right before your eyes. And lastly, summer is on! Our first camp is currently taking place where we have 180 kids learning about the miracles of the bible and how to play different sports. Quite a combination :) Maciek is the program director for this camp among many others this summer. Please pray for the safety of the campers and that they will have open hearts to make decisions for Christ.

Family News

The Moryn family is super excited to announce that Maciek passed all of his exams and is officially done with school!!!!!! Thank you all for your prayers and support for Maciek these past two years. He would tell you it was not easy nor something that came naturally for him. We are very grateful that starting this fall we will finally be able to be together as a family on the weekends!

Because of the crazy summer schedule we will be moving to the camp property for the next two months. We are hoping for a smooth transition with the baby and for mom. This will be the first summer Adrienne is in charge of one child the whole summer instead of 10 different children every week :) Rayna has continued to stay healthy and happy. She is such a sweet baby with a huge personality. We pray and hope that all of you will get to meet her one day soon. For updated pictures check out our baby website at www.babyhomepages.net/babymoryn

Praises:

- Marysia's baptism!
- Maciek passed all his exams and is done with school
- God constantly providing for us
- 20 years of PROeM

Prayer Requests:

- Safety for campers and open hearts
- Smooth transition into summer
- Wisdom on being parents
- Additional supporters for the 2010 year

God's Blessings,

Maciek, Adrienne and Rayna Moryn
